

## Lower Your Processing Costs and Build Your Business

We've negotiated a great rate with First Data for payment processing, available only to our members. The agreement offers numerous benefits, including:

- Money-saving price structure for all credit and debit card transactions
- Easy implementation and training
- One convenient statement, incorporating all card transactions
- Online reporting and toll-free customer support 24/7

Accept more payments, lower processing costs and build your business.

Call Mary Durina at First Data to begin processing today at 866.496.2928.
